The “Dunakanyar Ipoly Börzsöny Területfejlesztési Nonprofit Kft”. and “Regionálna rozvojová agentúra Južný región Štúrovo” received a grant from the Interreg V-A Slovakia-Hungary Cooperation Programme, Small Projects Fund under Priority Axis PO1 - Nature and Culture

The lead partner of the project "I-4-FESZT" number SKHU/WETA/1801/1.1/010, is “Dunakanyar Ipoly Börzsöny Területfejlesztési Nonprofit Kft”, the partner of the project on the Hungarian side is the Municipality of Letkés, the partners of the project on the Slovak side is the Regionálna rozvojová agentúra Južný región Štúrovo and the Municipality of Vyškovce and Ipľom.

The total budget of the project is EUR 58,068.30, of which the subsidy from the European Regional Development Fund is EUR 49,358.06.

The purpose of the project is to implement cross-border cooperation in the lower bank of the Ipoly, to preserve culture and traditions of the local Hungarian and Slovakian settlements. We would like to implement it through the three day festival between the municipalities and civil organizations. This festival series was firstly organized in 2019 under title, "IpolyFeszt". The venues for the festival within the project in 2021 will be municipality of Ipolydamásd and the municipality of Letkés, and on the Slovak side the municipality of Chľaba and the municipality of Vyškovce nad Ipľom.

The aim of IpolyFeszt is to help to people, arriving from all over the country or even arriving beyond the borders, to know this area, its unique character, and cultural values. The festival is a good opportunity to connect Hungarians living on both sides of the Ipeľ River.

We hope that many festival participants will fall in love with the Ipeľ Valley on both sides of the border, to Burda and the Börzsöny, this means that they might return, or even find a home for themselves here, hence the region might be rejuvenated.

Further aim of the festival is to continue and strengthen the long existing and established international cooperation between the border settlements, to widely promote the region culturally and in tourism spheres and to involve citizens of all ages in the activates of cultural programmes.
